

## REINSURANCE FROM EXPERIENCED PROFESSIONALS

Covering a broad range of classes and products, the Cincinnati Re team brings extensive experience and technical acumen to each underwriting decision with the objective of delivering strong risk-adjusted returns on capital over time. Led by James (Jamie) Hole, the senior management team possesses market-leading underwriting, actuarial, catastrophe modeling, legal and claims experience from ACE, Aon, Hiscox, JLT Re, QBE and Towers Watson. This core team is positioned locally in cities across the U.S. and supported by reinsurance analysts, actuaries, modelers and underwriters based in Cincinnati.
