# Reduce your Company Risk

Cincinnati Insurance now offers nationwide **MVRs** and **MVR Monitoring** solutions via Embark Safety.

As a leading provider in the Motor Vehicle Record (MVR) and Continuous Driver Record Monitoring industry, Embark Safety offers Cincinnati policyholders two solutions:

1. DRIVER RECORD MONITORING

A comprehensive Driver Management System that monitors driving records continuously, and notifies you in near real-time whenever there are negative changes, such as suspensions, DUIs, moving violations, accidents, etc*.

Special features include: Instant access to MVRs in all 50 states, including DC, PR and all Canadian providences, automatic MVR Scoring, account customization, license and medical certificate notifications, file/DQ file manager, driver E-consent form and ability to pull PSP and CDLIS reports.

CINCINNATI'S PREFERENTIAL PRICING

- Tier based pricing.
- Average price for +100 employees is $1.50/month per driver.
- Activation fee of $500 (Reduced from $1,500).
- Discounted online driver training $10/per class or unlimited driver training also available.

For details or specific pricing, please fill out the form at https://www.embarksafety.com/demo-cinfin/.

*Frequency varies by state

For more information visit: www.embarksafety.com or email us at: sales@embarksafety.com

2. MVRONLINE.COM

This is an on-demand system that allows smaller organizations access MVRs instantly 24/7*.System requires each company to upload the driver's consent form prior to the MVR order. The consent form is provided once the information is entered.

*Pennsylvania and Washington excluded, MVRs for these states must be obtained by working directly with each state DMV.

CINCINNATI'S PREFERENTIAL PRICING

All MVR fees are discounted by $3 for all states. See **MVR fees.**
