2022 Benefits Overview

HEALTH & PRESCRIPTION PLAN

The Health & Prescription Plan is a high deductible health plan administered by Cigna®. It's an OAP Plan⁺ and you will receive free preventive care when using an in-network provider. For non-preventive medical care and prescriptions, you pay 100% of the cost until the deductible is met. Once the deductible is met, the plan pays the full cost for covered in-network services, but only a portion of out-of-network services. Prescription costs are still subject to co-pays when the deductible has been met. Once you reach the out-of-pocket maximum, the plan pays 100% of your eligible expenses for the rest of the calendar year for both in-network and out-of-network services, including prescription costs.

Health Care Coverage	Bi-Weekly Premium	Deductible	Out-of-Pocket Maximum
Associate Only	\$41.70	\$1,750	\$2,500 in network / \$5,000 out of network
Associate + Spouse	\$133.44	\$3,500	\$5,000 in network / \$10,000 out of network
Associate + Child(ren)	\$118.29	\$3,500	\$5,000 in network / \$10,000 out of network
Family	\$159.23	\$3,500	\$5,000 in network / \$10,000 out of network

Prescription Co-Pays (after deductible is met)

Prescription Type	Monthly Retail	Mail Order (90 days) and Cigna 90 Now
Generic	\$0	\$0
Generic Preventive	N/A*	\$0**
Formulary ⁺	\$25	\$62
Non-Formulary ⁺	35% coinsurance with \$40 minimum co-pay	35% coinsurance with \$100 minimum co-pay

* You will be responsible for applicable co-pay if you don't employ the mail order option for generic preventive medications

** Certain generic, preventive medications are paid at 100% when using the home delivery service

Eligibility: Regular⁺, full-time associates. **Spouses employed outside of The Cincinnati Insurance Companies who have employer-sponsored health care coverage and could get coverage and pay 50% or less of the total premium for any plan offered – even if your spouse prefers a different plan – are not eligible. Spouses may contact their employers to learn that percentage of premium they're expected to pay.**

Effective Date: First day of employment

Enrollment Information: You can enroll in the Health & Prescription Plan during your first 30 days of employment and during open enrollment. Otherwise, you can enroll only when a qualifying event⁺ takes place. You will need to fill out a Change in Participation form and submit the completed form, along with proof of the qualifying event, to Human Resources – Benefits.

Opportunities for Health Plan Savings:

- **Telehealth:** Associates and covered family members have access to telehealth services – virtual doctor visits available for a wide range of minor conditions – that are designed to allow you greater control when you need to see a doctor.
- **MRI/CT Savings Program:** Associates with CIC Health Plan coverage and your covered family members – who can choose a testing location – can save money and earn a \$100 contribution into your Health Savings Account for using services from a stand-alone clinic rather than a hospital.

HEALTH SAVINGS ACCOUNT

Eligible associates have access to a Health Savings Account administered by Cigna. The HSA is a pre-tax savings vehicle that allows you to save for eligible medical, dental, and vision expenses now and in retirement. It works in conjunction with the Health & Prescription Plan. The company may also make yearly contributions, and the money in your account is always yours to keep – what you don't use, you don't lose.

Type of Health Care Coverage	Maximum Yearly Contribution Limit*
Associate Only	\$3,650
Associate + Spouse	\$7,300
Associate + Child(ren)	\$7,300
Family	\$7,300
Catch-Up ⁺	\$1,000

* Maximum yearly contribution limits include the company contributions

Eligibility: Regular, full-time associates enrolled in the Health & Prescription Plan who meet IRS guidelines

Effective Date: First day of month following hire date

Enrollment Information: If eligible, you will receive an email with a link to set up your HSA account. You can also change your contribution amount at any time, up to the maximum yearly contribution limit.

Details: A HSA debit card will be provided to you from Cigna and you must have money in your HSA account to use it. For Cigna to apply charges against your deductible, present both your HSA card and medical card to health care providers and pharmacies. The company contribution(s) will be made after 30 days of enrollment in the HSA. We do not stop your contribution amounts from going over the maximum yearly limits – you must plan accordingly. You can add and update your HSA beneficiaries on HSA Bank's Customer Portal, available via mycigna.com.

DENTAL PLAN

The Dental Plan makes affordable dental coverage available to all associates. The focus of the Dental Plan is on proper preventive care. While the Dental Plan covers 100% of most preventive maintenance benefits, restorative benefits are paid at a lesser amount. If you add dependents at a later date, their coverage will begin on the first of the next month. You may use any licensed dentist you choose; however, the use of a network dentist in the Delta Dental PPO or Premier Network reduces your portion of dental care expenses.

Coverage	Bi-Weekly Premium	Deductible	Maximum Payments
Associate Only	\$14.33	\$50/person	\$1,500/person
Associate + Spouse	\$27.03	\$50/person; \$150/family max	\$1,500/person

The deductible applies to non-preventive procedures.

SHORT-TERM DISABILITY

Short-term disability is a pay continuation plan that provides you with regular payroll deposits when you are unable to work due to a qualifying medical condition. The conditions include an accident, illness and pregnancy. Short-term disability pay can extend up to 26 weeks or 130 working days. You receive a percentage of your salary based on your length of service with the company. Any event that caused disability prior to your employment date or during the three-month waiting period would not be covered. You are eligible for total benefit coverage for any pre-existing condition after you have actively worked 12 consecutive months. This benefit does not provide you with a continuation of pay for mental illness or functional nervous disorders, except during a period of confinement in an appropriate care facility.

If you have exhausted all eligible paid time off, the waiting period will be unpaid.

LONG-TERM DISABILITY

Long-term disability offers you financial protection in the event you are disabled from working for an extended period of time. Coverage will replace 66 2/3% of your wages up to a maximum of \$7,500 per month. Long-term disability begins after 26 weeks of short-term disability.

Enrollment Information: Associates can enroll within 30 days of hire and will be automatically accepted. If you decide to waive long-term disability and add it at a future date, you will need to go through an underwriting process. You may or may not be accepted under the plan when you go through the underwriting process.
